TO all Honorable Senators of Philippines.

My team has been directly contacting all your top GOV commissioners, Congress, Governors, Mayors, top Religions leaders full time since arrival here August 2015.

Nina Valera at (0927) 082-2265 and Susan Solopico at 524-5087 along with Rev Ephraim Guerrero at 0918-926-6839 , office 400-2471 have direct ties with Harry Roque and other leading Philippine officials and Press.

Most humbly our economic evangelist crusader team request:

**Immediate face to face meetings with you and your Chief of Staffs along with President Duterte and Harry Roque.**

The most providential answers to rebuild all world economies is driven by the simple 4 by-pass new Constitutional Laws of

**eVOTE.ONE**

as all mankind benefits using the simple [Solution5sTeps.com](http://Solution5sTeps.com)

The creation of a single open public database of FOIA.one = URLiDent.com ensures no secrets, therefore no crime can be committed and go unpunished.

The USA remains the most corrupt New World Order society by the criminal ability for a few insanely wealthy dynasties controlling the laws, commerce, trade, infrastructure, and key most critical information of criminal investigations and ownership of God's gifted resources and assets.

The complexity of the current cyber crime terrorist attacks are the World War Three cold war of spying from 1957 use of technology to compartmentalize and pervert manipulate information so only a few tycoon criminals profit.

When will everyone actually meet and proclaim these are the only logical common sense methods that truly transfer billions, then trillions of \$\$\$ crime wealth back to empower our people.

All Politicians now get out of constant mode of 'Campaigning', raising political war chest funds, and spending obscene time and resources fighting political party wars of domination.

Now all Politicians become most highly paid merit based Consultant Advisors who are protected and rewarded based on their ability to efficiently serve and protect as public servants constructing and administering:

[WorldSchoolFund.com](http://WorldSchoolFund.com) -Free all digital class public education with free high speed fiber optic internet to all mankind. This is direct funded by builtByKeith.com NGO-INC umbrella enterprises who fearlessly teach our world how to conduct honest enforced business transactions.

[solutionHousing.org](http://solutionHousing.org) Provides free land owned by our people and almost free building materials with all digital created cities owned and managed by our people.

TurnOffLights.com SolutionSafeWater.org creates over 10 million new small business owners as all middle class who own their own cooperative energy and water production and distribution enterprises. Each village now manages and controls their own quality of life with roads, commerce, agricultural, and new factories owned and managed by our people.

TOO many other world saving answer methods to relist here,  
therefore requiring these face to face meetings that will indeed

DRIVE hosted Press Conferences so the rest of our world will finally use;

**SolutionManifesto.com** as the worlds last OPEN Public  
Constitutional that ensures and enforces all human rights are protected.....

Famous WorldSchoolFund.com provides free education to all +7.6 billion people with free world-wide high speed Internet, all digital [CreatorKeith.com](http://CreatorKeith.com) classrooms, homes, + businesses so everyone is connected with one degree of separation forever. Private schools are now incorporated by default into the open FREE public system as the owners of these private institutes are mostly profiteering because of the total apathy of my people and are failing to educate our brightest masterminds who have no financial support. This eliminates the inequality of families with excess assets. With Free education, anyone now has all resources to be self-sufficient. No more inheritance of generations of dynasty wealth used to enrich the select few. All youth are our new world leaders using the Merit System of total honesty, integrity, virtue, and ability to SERVE OTHERS fearlessly in order for humanity to benefit as a unified race. We no longer tolerate any bigots, cynics, racists, criminal ruling elite (brood of serpent vipers) who create dynasties kingdoms based on ego, fear, and intimidation.

These divined/ordained ministries ONLY occur once YOU my people remove ALL crime networks, dynasties, cyber crime
